Job Description

Following are the responsibilities that I have been fulfilling as a Lecturer:

- Development and preparation of learning resources/module in support of teaching and learning.
- Setting and marking programme work and examinations, and providing appropriate feedback to students.
- Acting as a personal tutor to a number of individual students and to uphold the university's tradition of student-centred, tutor-supported learning.
- Contributing to the curriculum development and expansion of the program, including marketing activities.

- Engaging with and strengthening the university mission and to participate in the broader academic life of the university.
- Undertaking other duties as reasonably requested by the Head of department.
- Participation in training and presentations.
- Assessment of changing curricular needs and offering plans for improvement.
- Collaboration with peers to enhance the instructional environment.
- Maintaining effective and efficient record keeping procedures.

Interpersonal Skills

- Dynamic analytical skills.
- Self-motivated, rational and realistically target oriented.
- Innovative and Creative.
- Bold, Confident and Level headed with high proficiency.

Additional Responsibilities/Duties

- Member Transport Committee (w.e.f 03-07-26)
- Member Sports Committee (w.e.f 02-03-26)
- Member Purchase Committee
- Departmental Director Students Affairs
- Member Women Development Centre
- Departmental Proctor
- MS Incharge Examination
- Incharge Sadqain Women Economist Society (SWES)
